MADE in the **USA**
A HISTORIC BELKNAP MILL EVENT

May 11, 2012 ★ Lake Opechee Inn, Lakeport, NH

A Salute to American-Built

On Friday, May 11, 2012, we are tipping our hats and raising the flag at the Historic Belknop Mill's seventh-annual Private Collections' Event. In a salute to "Made in the USA," we are showing our pride for the red, white and blue.

A celebration of American classics, this year's "Private Collection" will showcase American-built automobiles. The one-night exhibit features vintage and new vehicles, owned by some of the region's most-notable collectors.

The Collection also includes a sampling of products made by prominent Lakes Region manufactures. From the past to the present, see locally-made products, using the latest technology, to valued items from our manufacturing heritage.

This patriotic event promotes the appreciation of quality, pride and ingenuity, which makes our nation great. In keeping with this theme, guests are encouraged to show their true colors by dressing in red, white and blue.

The fun starts with a pre-party cocktail and hor d'oeuvre reception, followed by a buffet of America dinner classics catered by O Steaks and Seafood. Up next is a special all-American stage act and then dancing with Annie & the Orphans. The party continues with late-night desserts, a coffee bar and other surprises.

Please support this event and the Belknop Mill's efforts to preserve and enhance ongoing programming. Be a *Yankee Doodle Dandy*; stick a feather in your hat and join us for some very special macaroni!
