On Friday, May 11, 2012, we are tipping our hats and raising the flag at the Historic Belknap Mill's seventh-annual Private Collections' Event. In a salute to "Made in the USA," we are showing our pride for the red, white and blue.

A celebration of American classics, this year's "Private Collection" will showcase American-built automobiles. The one-night exhibit features vintage and new vehicle, owned by some of the region's most notable collectors. The Collection also includes a sampling of products made by prominent Lakes Region manufactures.

The fun starts with a pre-party cocktail and hor d'oeuvre reception, followed by a buffet of America dinner classics. Up next is a special all-American stage act and then dancing with Annie & the Orphans. The party continues with late-night desserts, a coffee bar and other surprises. Guests are encouraged to show their true colors by dressing in red, white and blue.
